AIRCRAFT DESCRIPTION

This magnificent aircraft is one of the only 22 private BBJ2s ever built. The cabin is configured for 32 private passengers or 19 commercial passengers. The forward cabin features a large entourage area with eight forward facing seats, followed by a two-place club opposite a three place divan. The mid cabin features a three-place divan opposite a four-place conference group, followed by a large dining/conference group with six seats. The aft cabin features three single seats opposite a three place divan, followed by a master stateroom, which features a large bed opposite an uncertified three place divan.

The crew lavatory is located in the forward, while the private passenger lavatory is located after the entourage area. A private ensuite wash/shower room is also featured in the master stateroom. The galley and crew rest area is located in the forward.

The exterior is overall white with grey and dark-blue accent stripes.
